Dear Fellow Lions,

We're writing you just to let everyone know that this year the Lions International Twin Curling Bonspiel will be held on February 10th. We hope to have a great turnout .

We encourage you to bring guests to participate. This is a great opportunity to introduce prospective Lions to Lions from other places and clubs. They can experience the camaraderie between Lions.

On the Friday, registration/fun night, we will again have the mini-olympics at the Willow Point Lions Hall. This is a warmup for the next day. The Saturday will begin at 9:00 am at the Curling rink. We will have access to rock pushers. This is a new tool that you can use to deliver the rock without bending down on your knees.

Your registration fee of \$45.00 Cdn. includes dinner, trophies and exercise. Extra dinner tickets will be available for \$18.00.

There are accommodations available at one of a number of Lions' homes. Staying with a fellow Lion will also bring us closer as friends, so please take advantage of this offer. It will also save you the \$60-\$80.CDN per night for a motel.

Don't miss this event. The Lions of zone 19-I-5 are looking forward to again showing you our hospitality.

Yours in Lionism,

**Friday, February 9th -5 PM**
